DETAILED ACTION

Allowable Subject Matter

Claims 1-5 and 7-11 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: Claims 1-5 and 7-11 are allowed because the references cited fail to teach, as applicant has, storing individual information contained in a transport stream on the basis of a result of extraction, transmitting a control signal so as to supply power to a given circuit when the individual stored information is stored, and controlling the supply of power to the given circuit according to the control signal where the individual information contained in the transport stream is accumulated one after another on the basis of a result of extraction; and the control signal is transmitted to the given circuit when the storing capacity exceeds a given value, as the applicant has claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
